# SAFETY

---

Empire Solution Logistics prioritizes the prevention of injuries, occupational hazards, diseases, and damages as a fundamental part of our operations. Ensuring a safe and healthy work environment is not just a requirement—it is an integral part of everything we do.

Every employee, regardless of position, gender, or background, is responsible for upholding our Occupational Health, Safety, and Environmental Objectives outlined below. Together, we commit to maintaining a workplace that prioritizes safety, well-being, and environmental responsibility.

1.

—

We are committed To maintaining complete compliance with all relevant statutory requirements where the legal obligations represent the minimum level of achievement in respect of health and safety at work and the environment.

2.

—

Our priority is to establish and maintain a healthy and safe working environment for all employees. As far as reasonably practicable, employee health and safety will take precedence over all other business considerations, ensuring a workplace that fosters well-being, security, and productivity.

3.

—

We are dedicated to developing and implementing regulations that promote and maintain a safe, healthy, and compliant work environment for all employees.

4.

—

We strive to identify, correct, and control any deviations from recognized safety practices while ensuring effective training, proper use of personal protective equipment, and access to first aid, safety, and fire equipment at all times.
